INSERT SENT WITH VBM BALLOTS

Vote-By-Mail Instructions

How do I mark my ballot?

- Use only a blue or black ballpoint ink pen. Do not use red ink pens, Sharpies, markers or any other type of pen.
- Make one single line to connect the head and tail of the arrow that points to your choice.
- To vote on the Ballot Question, connect the head and tail of the arrow that points to your choice of YES or NO.

How can I make sure my ballot will count?

Ballots have to be clean of any stray marks or information that could identify you.

DO NOT sign your name on your ballot, write your initials, or write any other words or marks on your voted ballot. Also, if you make a mistake and use an eraser to correct it, your original mark may cause your ballot to be counted incorrectly.

To make sure your ballot will count, do the following:
1. Mail it by Wednesday before the election or hand deliver it to the polls or drop location.
2. Sign your ballot return envelope.
3. Do not let someone else sign your envelope for you.
Call 831-454-2060 or send an e-mail to ballot@voteascount.com the week following Election Day to find out if your ballot was counted or not, and if not, why not.

If I make a mistake marking my ballot, how do I fix it?

The best option is to get a new ballot. You may call the Elections Department at 831-454-2060 or send an e-mail to 2mvballot@voteascount.com
We will then send you a new ballot. If there is no time to mail a second ballot to you, please call us at 831-454-2060, and we will review your options.

What do I do after I vote my ballot?

- After you have voted your ballot, remove the top stub from your ballot by leaving at the perforated line.
- Place the ballot in the return envelope provided. This envelope has identification information unique to you that we use in processing your returned ballot.
- Write the address where you live in Santa Cruz County on the envelope in the space provided. Do not write your P.O. Box or work address.
- SIGN your name on the envelope to the right of the X. If you do not sign your envelope, we can not count your ballot. Do not let someone else sign your name for you.

Can I return my ballot by mail?

Yes. You can mail it in the envelope provided. *Postage is 45 cents* unless your envelope is postage paid. Make sure you use the correct postage.

Also, to allow sufficient time for the elections official to receive your ballot in the mail, don’t mail it after the Wednesday before Election Day. During the final week before the election, it is a better option to drop it off at one of the locations above.

Can I vote at my polling place instead?

You may turn in your vote-by-mail ballot at your assigned polling place, and you may then vote a ballot at the polls. If you do not turn in your vote-by-mail ballot, you will need to vote provisionally. Your ballot will count once the elections official confirms you did not mail a ballot in as well.

I live in the dorms, where should I register to vote?
You need to decide if you want to register to vote using your home address or if you want to register to vote using your university address. If you register to vote using your campus address, you will be able to vote here in Santa Cruz County. If you register at an address that is not in Santa Cruz County, you will need to vote in that county or request a ballot be mailed to you from that county. We can help you contact the county where you live.

Where do I vote if I register to vote using my UCSC address?
There will be polling places located on campus where you can vote on Election Day during the hours of 7 a.m. to 8 p.m. You will receive a county Sample Ballot and Voter Information Pamphlet in the mail about 3 weeks before the election explaining all your options.

I want to register to vote using my address outside of Santa Cruz County?
If you are not going to be home for the election, about a month before the election, you must ask to have a ballot mailed to you at your university address. Many counties allow voters to request a ballot online from their websites.

How do I return my vote-by-mail ballot?
If you cannot vote in person at your assigned polling place, you can ask your county election official where you are registered to vote to mail you a ballot. You must mail your ballot back to the county elections office where you registered in time for them to receive it by 8 p.m. Election Day. We suggest you put it in the mail with the right amount of postage a week prior to the Tuesday election. The ballot return envelope mailed to you with the ballot will be pre-printed with the name of the county where the ballot must be returned by 8 p.m. Election Day.

Can I return my vote-by-mail ballot to the polling place on campus?
ONLY voters who are registered to vote in Santa Cruz County can return their vote-by-mail ballots to a polling site on campus or in the county.

When is the next election?
The next election will be the June 3, 2014 Statewide Primary Election. At that election we will nominate the top two candidates to run for offices like Governor, Attorney General, Congress and State Assembly. There will also be local contests on the ballot. UCSC’s last quarter ends on June 12.
Know Your Voting Rights

Know Your Rights – ACLU

Guide for Voters who are on Parole, Probation, or other Community Supervision
https://www.aclu.org/vote

What Are My Voting Rights if I Have a Misdemeanor?
A misdemeanor conviction does not affect your right to vote at all. You can vote in all elections.

What Are My Voting Rights if I Have a Felony?
If you have a felony conviction, you CAN vote if:
- you are on probation, even if you are in jail as a condition of your probation, or
- you have completed your probation, or
- you are awaiting a judge’s decision on a probation violation, or
- you have completed mandatory supervision, or
- you have completed post-release community supervision, or
- you have completed your parole.

You are not allowed to vote when you have a felony conviction and you are still in state prison or serving a sentence in jail under Realignment, are awaiting transfer to a state prison, or when you are on parole, on post-release community supervision, or on mandatory supervision. Once you have completed your prison sentence and parole or other community supervision, you can register to vote.

Can I Vote While I Am On Probation?
Yes! You can vote at all times while you are on probation, regardless of whether your conviction is a felony or misdemeanor.

Can I Vote While I Am On Parole?
No. You can vote only once you have completed your parole.

Can I Vote While I Am On Mandatory Supervision?
No. You can vote only once you have completed your mandatory supervision.

Can I Vote While I Am On Post-Release Community Supervision?
No. You can vote only once you have completed your post-release community supervision.

Can I Vote if I Have Been to Prison in the Past?
Yes! The only time you are NOT eligible to vote in California is if you are in state prison, on parole, on post-release community supervision, or on mandatory supervision.

You have the right to vote.

Can I Vote While I Am in Jail?
Maybe: You CAN vote if you are in jail:
- awaiting trial for any crime, or
- for a misdemeanor conviction, or
- on a probation violation, or
- on felony probation.

The ONLY time you lose the right to vote is when you are:
- in state prison for a felony conviction, or
- in jail awaiting transfer to a state prison for a felony conviction, or
- on parole for a felony conviction, or
- on mandatory supervision, or
- on post-release community supervision, or
- serving a sentence in the county jail under Realignment, or
- in jail for parole violation.

How Do I Regain My Ability to Vote?
In California, you do NOT need to do anything to “restore” your right to vote if it is automatically restored once you have completed your parole and are no longer in state prison. However, you MUST register or re-register to vote in an upcoming election.

“Top 2” Primary in California

What is a Top 2 Primary?
A Top 2 Primary lets you vote for any candidate (for most races), even if you are not in the same political party. The top 2 candidates – those who get the most votes in the primary – will be on the General Election ballot in November.

Is Top 2 different than the last primary election?
No. It became law in 2010 when we passed Prop 14. The June 2012 election was held under the Top 2 law. Before Top 2, each party could have one candidate on the General Election ballot for all party races.
Now with Top 2, only two candidates get on the General Election ballot for most races – the ones who got the most votes in the primary – no matter what party they are from.

What does party preference mean?
Party preference refers to the political party you – or the candidate – is registered with. It’s listed under each candidate’s name on the ballot. The word “None” appears for candidates who are not registered with a party. For example:

John Smith
Party Preference: DEM

Jane Doe
Party Preference: REP

Chris Jones
Party Preference: None

Do all offices follow the Top 2 rules?
Yes. Top 2 applies to these voter-nominated offices:
- U.S. Senator
- U.S. Congressperson
- State Senator
- State Assembly Member
- Statewide constitutional offices (such as Governor, which will be on the 2014 ballot).

Can the Top 2 candidates be from the same party?
Yes. The Top 2 candidates might be from the same party, different parties, or no party.

If only 1 or 2 candidates run for an office, will they still run in the primaries?
Yes.

What ballot will I receive in June?
All voters registered with a political party or not, will get the same ballot that will have:
- All candidates from all parties for voter-nominated and nonpartisan offices, and
- Any local measures - State Propositions are on the November ballot.

Can I still write in a candidate on my ballot?
Yes. You can write in a candidate for voter-nominated offices at the primary election, but not for the general election. For other contests, you are allowed to write in a candidate at both the primary and general elections.

Can I find out what party I am registered with?
Yes. There are 3 easy ways to find out which party – if any – you’re registered with:
- Look on the back cover of your Sample Ballot and Voter’s Information Pamphlet. Your party is printed next to your name and address. If you did not register with a party, it says NPP.
- Call our office at 831-454-2060, or
- Visit our website at: www.votescount.com

Can I change my political party?
Yes. Fill out a new Voter Registration card and return it at least 15 days before the election. The deadline to register for the June 2014 election is May 19, 2014.

Do I need to register again for each election?
No. Fill out a new Voter Registration card only if you have:
- Moved,
- Changed your name, or
- Think you haven’t voted in the last 4 years.

Where can I register to vote?
You can get a Voter Registration card at:
