VBM in Sacramento County

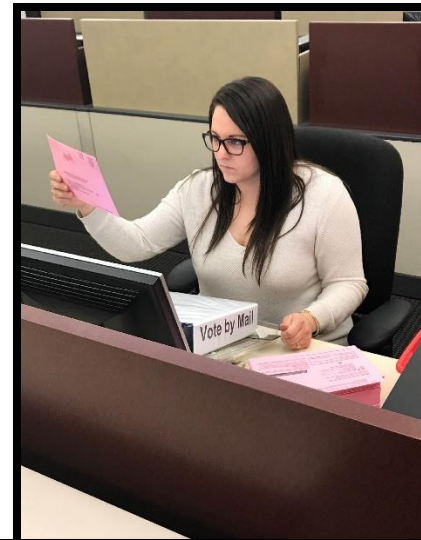

VBM: March 2020

VBM Processing

1. Envelopes are put through the mail sorter to take picture of return envelope (signature) and sort (precinct, district, ballot style, etc.)
2. Signature Verification
 - If challenged, supervisor review and initiate voter contact
3. Extraction of “good” ballots
4. Process ballots (voter intent, damaged)
5. Tabulation

VBM Outreach

- Community Input
