Every year, 30,000 citizens re-enter society from Illinois correctional institutions.

- Many citizens believe their past criminal record prohibits them from voting - but that's not true in Illinois.
- HB 2541 aims to:
 - promote the successful integration of re-entering citizens
 - strengthen democracy
 - reduce rates of recidivism within Illinois

HB 2541 will provide re-entering citizens with a non-partisan civics peer education program.

The program consists of 3 sessions of 90 minutes each:

voting process

government

current affairs

To be provided within 6 months of a citizen's scheduled discharge

Taught by **incarcerated citizens who are specially trained** by established non-partisan civic organizations.
