Same Day Registration SDR - A Proposal by Secretary Debra Bowen - 2009

After E-15, current law does not give people the right to register and vote, if they:

- Moved from one California county to another;
- Changed their name or party affiliation; or
- Want to register and vote for the first time.

This Proposal

Closes the gaps in California law, so that all eligible citizens have the ability to register and vote after E-15 – from E-14 through Election Day – at the county elections office in the county where they live.

This bill requires people who want to register to vote after E-15 to:

- Visit their county elections office;
- Present proof of residence by showing a current and valid photo identification or a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter.
- Complete a voter registration card (VRC); and
- Cast a provisional ballot.
