ERIC's Mission

Assist states to improve the accuracy of voter rolls, reduce costs, and improve efficiency for state and local election offices.

Presidential Commission Report

“The Commission endorses state programs to share data and to collaborate in the synchronization of voter lists so that the states, on their own initiative, come as close as possible to creating an accurate database of the eligible electorate.”

Benefits to states

Savings by joint purchase of death index and NCOA services.

Cleaner rolls mean savings at election time because there will be fewer problems.

Reduced spike in registration activity at election time results in more efficient operations.

Benefits to states

A “pro-active” approach discourages “election eve matching” by interest groups.

Shows ERIC members do everything they can to keep their rolls clean and improve access to voter registration on a continuous, year-around basis.
