Vote Center Closure Signs
In-Person Voting

Number of voters served:
• 45 total; 30 on Election Day
• Mostly CVRs; few made appointments

Challenges:
• Cold and rainy weather
• Limited canopies
• One voter served at a time
• Many voters were seniors that could not stand in line for extended periods
Risk-Limiting Audit

- Conducted RLA as a post-election audit in lieu of 1PMT
- No public access; livestreamed online from beginning to end
- Additional IT setup required for sufficient camera and audio coverage
- Minor connectivity issues – ROV and from viewers at home
Risk-Limiting Audit

Left to right:
1) Tracking numbers rolled on a poster sheet
2) Closeup of dice to show number rolled
3) Utilize RLA tool to generate ballot manifest
Recount

- Request for recount received on Tuesday, April 21
- Elections Code and CA Recount Regulations requires “physical access to any and all relevant materials”
- No exceptions for a health emergency / pandemic
- Recount commenced on Tuesday, April 28
Preparations for Recount

- Maintain closure to general public
- N-95 masks for staff
- Sneeze guards at front counters for public to check in
- Designed recount space and front lobby to maximize social distancing
- Video coverage for overflow

Ballot Drop Box Pick-Up

- Per State regulations, pick up of ballots must be handled by two members for accountability

- Previously done in one vehicle for a team of two

- To maintain social distancing, two vehicles now needed
Steps for In-Person Voting

• Voters begin by lining up with 6 ft. separation

• Utilize phone to notify staff

• Staff will process voter

• Voter can vote with a paper ballot in a voting booth or with a ballot-marking device
In-Person Voting
Lessons Learned from Special Elections

Past implementation of VCA critical to voters already having experience with all voters receiving a VBM ballot and availability of ballot drop boxes

- 80% of voters voted by mail in March 2020 and 18% of voters who voted by mail returned via ballot drop box in March 2020

Proactive outreach to voters via mail, website, etc. and in-language materials for voters with language needs

Minimize confusion by only sending out information once finalized

Plan ahead by examining all processes and procedures from start to finish that need to be modified
Challenges for November 2020

Voters
- Many voters wait until the last minute to vote
- Last-minute voters typically need same-day voter registration, which takes longer
- Minimum requirements (i.e., will election officials have to provide masks to voters without masks?)

Logistics
- Limited availability of Vote Center locations and training sites
- Recruitment, interviewing, and onboarding of Vote Center staff
- Inventory of PPE and sanitizing supplies to maintain safe working environments
Planning for November 2020

• CACEO Recommendations to Governor Newsom
• Statewide November 2020 Election Task Force
• SOS-CACEO Conference Calls
• Orange County Plans and Preparations
Pending Legislation

**AB 860 (Berman)**
- Requires a vote-by-mail ballot to be mailed to all voters in CA
- Urgency statute
- Governor issued Executive Order N-64-20 to mail a vote-by-mail ballot to all voters on May 8th

**SB 423 (Umberg)**
- 1 in-person voting location for every 10,000 voters and open for 4 days (including Election Day) & 1 ballot drop off location for every 15,000 voters
- State to provide assistance for acquiring voting locations and staffing and PPE and disinfectant
- Statewide voter education
